GN-1. Plaintiff (name): Kay Rha

alleges that defendant (name): Kaiser Permanente; Kaiser Foundation Hospitals; and

☒ Does 1 to 500, inclusive

was the legal (proximate) cause of damages to plaintiff. By the following acts or omissions to act, defendant negligently caused the damage to plaintiff

on (date): 03/06/2012

at (place): Kaiser Permanente Medical Center, 19000 Homestead Rd., Cupertino, CA 95014

(description of reasons for liability):

MEDICAL MALPRACTICE

As a health care provider, Defendant(s) owed duty to Plaintiff for reasonable care in caring for a patient, taking into account the mental and physical condition of the patient, and in selecting and maintaining, and ensuring the competence of its staff.

As a health care provider, Defendant was obligated to have and use the learning, skill, and care ordinarily possessed by nurses and medical staff in the same or similar capacity, and under similar circumstances.

Defendant was and is liable for the negligent acts of its nursing staff under the theory of respondeat superior.

Defendant failed to use reasonable care under circumstances in caring for Plaintiff, and its patient, all causing Plaintiff undue suffering.

Defendant failed to use reasonable care in hiring, supervising, and monitoring its nursing staff, all causing Plaintiff undue suffering.

Plaintiff was injured and endured undue pain and suffering as a result of the acts and omissions of Defendant, and had negligence been absent on the part of the Defendant, Plaintiff would not have suffered the injuries and would have obtained a better result.

As a result of the aforementioned injuries, Plaintiff has been damaged in a sum according to proof, but not exceeding \$250,000.00, including, but not limited to, medical expenses, loss wages, expected future medical expenses, emotional distress, pain, and suffering.

As a further direct and proximate result of said negligence of Defendant, Plaintiff has been obliged to incur hospital, medical, and related expenses, the exact amounts of which are not ascertained at this time, compounding Plaintiff's damages.

At the said time and place, as aforesaid, Defendant, so negligently, carelessly, recklessly, wantonly, and unlawfully treated, provided medical care, monitoring, examination, diagnosis, and other medical services so as to directly and proximately cause pain to Plaintiff.
