28 of the State of California.

1 9. At all times herein mentioned, defendants DOES 61 through
2 70, inclusive, were aides, attendants, technicians, nursing or
3 medical students, acting as agents, employees or servants of some
4 or all of the other defendants, within the course and scope of said
5 agency or employment.

6 10. Defendants KAISER FOUNDATION HEALTH PLAN, INC., KAISER
7 FOUNDATION HOSPITALS, SOUTHERN CALIFORNIA PERMANENTE MEDICAL GROUP
8 and DOES 71 through 80, inclusive, were at all times herein
9 mentioned, duly organized California corporations and partnerships
10 existing under and by virtue of the laws of the State of

20 clinics in said community, offering full, competent and efficient
21 hospital, emergency, clinical, medical, surgical, laboratory, x-
22 ray, anesthesia, paramedical services and outpatient clinics to the
23 general public and to plaintiff herein. Plaintiffs are informed
24 and believe and thereon allege that said defendants, and each of
25 them, administered, governed, controlled, managed and directed all

27 medical facility, hospital or 24-hour care facility, including its
28 nursing care, intern, resident and house staff, physicians and

1 surgeons, medical staff, x-ray, intensive care, recovery room and
2 emergency room departments and clinics, including but not limited
3 to personnel, staff and supplies of said facilities and clinics.

4 11. Plaintiff is informed and believe and upon such
5 information and belief allege that at all times herein mentioned,
6 defendants, and each of them, were the agents, servants, employees
7 and copartners of their said codefendants, and as such, were acting
8 within the course and scope of such agency, partnership, and
9 employment at all times herein mentioned; that each and every
10 defendant, as aforesaid, when acting as a principal, was negligent
11 in the selecting, hiring and maintaining of each and every other
12 defendant, as its agents, servants, partners and employees.

13 12. At all times herein mentioned, plaintiff was in the
14 exclusive custody and control of defendants, and each of them, and
15 at no time prior to the events, conduct, activities, care and
16 treatment herein complained of, did the defendants herein, or any
17 of them, obtain a knowledgeable, informed consent for said care,
18 treatment or conduct. Prior to the initiation of or performance of
19 said care, treatment, procedure or conduct, no opportunity was
20 afforded the plaintiff herein or any authorized agent of plaintiff
21 to exercise voluntary, knowledgeable and informed consent to said
22 care, treatment, procedure or conduct.

23 13. In the treatment and diagnosis performed by the
24 defendants and their employees, and each of them, upon plaintiff,
25 defendants and their employees, and each of them, negligently
26 failed to warn the plaintiff of the risks and hazards and of the
27 harmful consequences that might follow from the care, treatment,
28 diagnosis or surgery.

1 14. Plaintiff named the defendants herein, and each of them,
2 because plaintiff is in doubt and does not know exactly from which
3 of the defendants plaintiff is entitled to redress and whether the
4 injuries and damages to the plaintiff herein alleged were caused by
5 the combined negligence of all of the defendants or by the
6 concurrent or successive and separate negligence of the defendants,
7 or one or more of them. For that reason, plaintiff names all of
8 said defendants and asks that the Court determine the liability of
9 each and all of the said defendants in this action and to what
10 extent and what responsibility falls upon each of said defendants,
11 and that the Court award judgment to the plaintiff as against some
12 or all of the defendants, either jointly or severally, as they may
13 be found liable.

14 15. At all times herein mentioned, plaintiff SALLY GEURGUES
15 was in the exclusive control of the defendants, and each of them,
16 and that at no time prior to the events, conduct, activities, care,
17 and treatment herein complained of did the defendants herein or any
18 of them, obtain knowledgeable informed consent for said care,
19 treatment or conduct; that prior to the initiation of or
20 performance of said care, treatment, procedure, or conduct, no
21 opportunity was afforded to plaintiff or any authorized agent of
22 plaintiff to exercise voluntary, knowledgeable and informed consent
23 to said care, treatment, procedure or conduct.

24 16. That prior to the filing of the within Complaint, three
25 years had not elapsed from the date of the injury, and a period of
26 less than one calendar year had elapsed after plaintiff first
27 learned, or had a reasonable opportunity to learn, of the fact that
28 the injuries suffered and complained of herein were a proximate

1 result of the negligent acts or omissions to act on the part of the
2 defendants; and each of them, knew, or should have known, of their
3 own negligence and the relationship between the negligence and
4 plaintiff's injuries and failed negligently or intentionally to
5 disclose these facts and circumstances to plaintiff thereby
6 depriving plaintiff of having a reasonable opportunity to learn of
7 said negligent conduct and acts.

8 17. That as a proximate result of the negligence of
9 defendants and each of them, the plaintiff sustained serious bodily
10 injuries, a portion of which, or all of which, are permanent. As
11 a result of said injuries, plaintiff has had, and in the future
12 will have, pain, suffering, worry, anxiety and incapacitation. By
13 reason of said injuries and consequences, plaintiff has sustained
14 general damages in a sum to be determined according to proof at the
15 time of trial.

16 18. By reason of said injuries, plaintiff has incurred
17 medical and related expenses and in the future will have medical,
18 surgical, hospital, nursing, pharmaceutical and related expenses,
19 the exact amounts of which at this time cannot be ascertained, all
20 to plaintiff's further damage. After said amounts of past medical,
21 hospital, surgical and related expenses are ascertained, plaintiff
22 will ask leave of Court to amend this complaint and insert amounts
23 herein or according to proof at the time of trial.

24 19. By reason of said injuries, plaintiff has incurred past
25 loss of earnings and will incur future loss of earnings and
26 impairment of earning capacity, all to this plaintiff's further
27 damage. Plaintiff at this time cannot ascertain the exact amount
28 of plaintiff's future loss of earnings and impairment of earning

1 capacity which resulted from said inability to do said work. After
2 said amounts can be ascertained, plaintiff will ask leave of Court
3 to amend this complaint and insert said amounts herein or according
4 to proof at the time of trial.

5 20. That as a direct and proximate result of the negligence,
6 carelessness, recklessness and lack of due care and prudence on the
7 part of defendants, and each of them, plaintiff was caused to
8 retain the services, and incur the reasonable expenses of further
9 hospitalization, medical, surgical, nursing and technical care and
10 treatment for the said injuries sustained, and did thereby incur
11 additional expenses for drugs, pharmaceuticals, and medications,
12 all in an amount presently unknown to plaintiff and plaintiff will
13 ask leave of Court to amend this complaint when said sum has been
14 ascertained or according to proof at the time of trial.

15 21. At all times herein mentioned, and prior and subsequent
16 thereto KAISER FOUNDATION HEALTH PLAN, INC., KAISER FOUNDATION
17 HOSPITALS, SOUTHERN CALIFORNIA PERMANENTE MEDICAL GROUP and DOES 71
18 through 80, inclusive, and each of them, so negligently and
19 carelessly failed to properly ensure the character, quality,
20 ability and competence of individuals treating patients in said
21 centers, hospitals and clinics, that plaintiff was caused to suffer
22 and did suffer, the injuries and damages hereinafter alleged.

23 22. That on or before November 27, 2012, and subsequent
24 thereto, plaintiff came under the care and treatment of defendants,
25 and each of them, for medical care and treatment, nursing care and
26 treatment, hospital care and treatment, pre-surgical care and
27 treatment, surgery, as well as other care and treatment. The
28 defendants, and each of them, were negligent in that they:

1 (a) Negligently and carelessly injured the innominate
2 vein using a Harmonic scalpel causing injury to the superior vena
3 cava innominate junction;

4 (b) Negligently and carelessly suturing shut the
5 innominate vein at the repair of the superior vena cava innominate
6 junction;

7 (c) Negligently and carelessly sutured the superior
8 vena cava compromising the superior vena cava lumen and blood flow
9 causing superior vena cava syndrome; and

10 (d) Among other acts and/or omissions.

11 23. That on or before November 27, 2012, and subsequent
12 thereto, during the course of the care, treatment, evaluation, and
13 other care and treatment, the defendants, and each of them, so
14 negligently, wrongfully, carelessly and recklessly diagnosed and
15 treated plaintiff and failed to treat plaintiff that plaintiff
16 suffered profound and serious injuries and damages including, but
17 not limited to: multiple hospitalizations, pericardial effusion,
18 wound infections, severe blood loss with multiple transfusions,
19 hypotension, respiratory failure with extended intubation, anemia,
20 coagulopathy and thrombosis of vessels, pulmonary embolus, pleural
21 effusions, multiple antibiotics, extended anticoagulation therapy,
22 scarring as well as pain and suffering.

23 24. On October 15, 2013, plaintiff served Notice of Intent
24 letters on the named defendants pursuant to C.C.P. Section 364.

25 WHEREFORE, plaintiff SALLY GEURGUES prays judgment against
26 defendants, and each of them, as follows:

- 27 1. General damages according to proof at the time of trial.
28 2. Medical expenses according to proof at the time of trial.

1 3. Past and future loss of wages, and loss of earning
2 capacity according to proof at the time of trial.

3 4. Special damages according to proof at the time of trial.

4 5. For a declaration by this Court as to the liability of
5 the defendants for the damages and injuries sustained by
6 plaintiffs, and to what extent and what responsibility falls upon
7 each of said defendants, and that the Court award judgment to the
8 plaintiffs as against some or all of the defendants, either jointly
9 or severally as they may be found liable to plaintiffs.

10 6. Pre-judgment interest according to proof.

11 7. For all costs of suit herein incurred.

To Parties and Others Filing First Papers. If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

To Parties in Rule 3.740 Collections Cases. A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

To Parties in Complex Cases. In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.
