FIRST CAUSE OF ACTION—General Negligence (number)

ATTACHMENT TO X Complaint Cross - Complaint (Use a separate cause of action form for each cause of action.)

GN-1. Plaintiff (name): JAIME U. ESPARZA

alleges that defendant (name): KAISER FOUNDATION HEALTH PLAN, INC.; KAISER FOUNDATION HOSPITALS; SOUTHERN CALIFORNIA PERMANENTE MEDICAL GROUP; and

X Does 1 to 100, inclusive.

was the legal (proximate) cause of damages to plaintiff. By the following acts or omissions to act, defendant negligently caused the damage to plaintiff

on (date): September, 2011 at (place): Anaheim, California

(description of reasons for liability):

- 1. Plaintiff, JAIME U. ESPARZA, is informed, believes and hereby alleges that defendants, KAISER FOUNDATION HEALTH PLAN, INC.; KAISER FOUNDATION HOSPITALS; SOUTHERN CALIFORNIA PERMANENTE MEDICAL GROVE, and DOES 1-100, inclusive, hold themselves out as licensed health care plans, hospitals, and medical groups providing medical services to member patients. Said defendants, and each of them, were all licensed to do business in the State of California. Each defendant, and DOES 1-100, inclusive, were and are engaged in the owning, operating, maintaining, and managing of medical, surgical, hospital, diagnostic, nursing, and other care to the general public for compensation in the County of Orange. All of the acts complained herein by plaintiff against said defendants were done and performed by said defendants by and through their duly authorized agents, joint venturers, and employees, each of whom, and all of whom, were at all times mentioned herein acting within the course and scope and purpose of their joint venture and employment and their conduct was ratified by defendants, and each of them, and DOES 1-100, inclusive.
- 2. At all times mentioned herein, defendants, and DOES 1-100, inclusive, and each of them, held themselves out to the general public and to plaintiff as skilled health care professionals in the science of medicine, surgery, neurosurgery, neurology, internal medicine, hospital care, medical attendant, and related care, and in possession that degree of knowledge and skill customarily possessed and exercised by other health care plans, hospitals, physicians, surgeons, nurses, and hospital attendants engaged in the same or similar locality as that of the defendants, and each of them.
- 3. Plaintiff contends that defendants, KAISER FOUNDATION HEALTH PLAN, INC.; KAISER FOUNDATION HOSPITALS; SOUTHERN CALIFORNIA PERMANENTE MEDICAL GROUP; and DOES 1-100, exclusively, fell below the standard of care by negligently and carelessly performing surgery to remove a colloid cyst on September 28, 2011 at the KAISER FOUNDATION HOSPITAL located in Anaheim, California. As a result of such negligently performed surgery, plaintiff developed a severe neurologic injury including, but not limited to, quadriplegia, brain damage, meningitis, hydrocephalus, leakage of cerebral spinal fluid, a collapsed lung,

pneumonia, pulmonary embolism, thrombocytopenia, and inability to swallow. Plaintiff further contends that defendants, and each of then, were negligent and careless with regard to the post-operative management of plaintiff's condition and discharged him too early from the facility on or about September 30, 2011 which prevented a timely diagnosis of his neurologic injuries.

4. As a result of said negligence, plaintiff has sustained profound and permanent neurologic injuries which required tracheostomy tube for breathing, a G-tube for feeding and a permanent Foley catheter. As a result of plaintiff's catastrophic injuries, he will require full time, 24-hour skilled nursing care for the remainder of his life, along with evaluation and treatments by physicians in multiple specialities. He has further suffered from emotional, physical and mental injuries due to his current medical condition, and will be seeking both general and special damages according to proof.
